

SPECIAL LOW RATES EXCLUSIVELY FOR BBB-ACCREDITED MEMBERS!

Think Of It As A Machine That Prints Money

Improve profits while providing more non-cash transaction options to your customers with Payment Processing Consultants. In addition to enjoying exclusive low monthly processing rates, your Better Business Bureau-accredited company will save money by eliminating the majority of extra fees, charges, and penalties billed by most credit-card transaction processing providers. Plus PPC offers your business incremental revenue sources with turnkey gift and loyalty card programs.

Thousands of businesses across the country make non-cash transactions easy for themselves and their customers using PPC. Put that experience to work for you with confidence; PPC is not only accredited by the Better Business Bureau, but we're also the BBB of Upstate NY's Featured Partner for credit card processing.

Discover more reasons to use Payment Processing Consultants as your credit-card processing company by visiting www.ppcsales.com. Or better yet, call us at **888-282-5384** for a free, no-pressure rate comparison to see just how much PPC can save your business.
